I. YEAR IN REVIEW.

Rule 1.10, Rules of the Minnesota Client Security Board, provides:

> At least once a year and at such other times as the Supreme Court may order, the Board shall file with the Court a written report reviewing in detail the administration of the Fund, its operation, its assets and liabilities.

This thirty-ninth annual report of the Minnesota Client Security Board covers the Board's fiscal year, FY2026, which began July 1, 2025, and ended on June 30, 2026.

The Client Security Board approved fourteen (14) claims this year involving six (6) attorneys, in the amount of $102,133.54 (*see* Appendix 1, A. 1-2). The claims involved the following attorneys:

Attorney	No. of Claims	Amount
Daniel P. Brown	1	$1,750.00
Bradley J. Haddy	1	$1,000.00
Joseph J. LeBlanc	7	$33,531.54
Gail E. Mattey	3	$5,852.00
Michael B. Padden	1	$20,000.00
S. Steven Prince	1	$40,000.00

Thirty (30) new claims were filed. Fifteen (15) claims were carried over from the previous year. One claim was approved in FY25 and paid in FY26. In addition to the fourteen (14) claims which were approved for payment, eleven (11) claims were denied. Seven (7) claims were approved at the June meeting and will be paid in FY27. At the end of June 2026, twenty-one (21) claims against fifteen (15) different lawyers remain pending before the Board. In most instances, related disciplinary or civil proceedings are pending, completion of which the Board is awaiting prior to being able to resolve the claim. Overall, after 38 years of approving claims, the Board has now approved payment of $8,971,093.05 on 741 claims against 212 lawyers (*see* Appendix 4, A. 6-10). The Fund continues to be fiscally healthy.

II. THE CLIENT SECURITY BOARD AND ITS PROCEDURES.

Board Members. As of June 30, 2026, the following individuals served on the Board (*see* Appendix 3, A. 4-5):

Name	City	Term Expires
Cheryl M. Prince, Chair	Duluth	June 30, 2026 (second term)
Katherine Brown Holmen	Mendota Heights	June 30, 2028 (first term)
Hayley A. Howe	Afton	June 30, 2026 (first term)
Michael S. Mather	Minnetonka	June 30, 2028 (first term)
Martha Sullivan	Eagan	June 30, 2026 (first partial term)
Beverly A. Moe	Bloomington	June 30, 2026 (first term)
Jenn H. Vander Woude	New Brighton	June 30, 2028 (first term)

At its June 2026 annual meeting, Beverly Moe was elected as Board Chair. Ms. Moe is a public member of the Board, resides in Bloomington, Minnesota, and is beginning her second term of service on the Board.

The Board ended the fiscal year at full membership. At the conclusion of the current fiscal year, Board Chair Cheryl Prince's term expired, and Board members Beverly Moe (public) and Martha Sullivan elected to renew their terms. MSBA nominee Haley Howe elected not to renew her service beyond her current term due to other commitments and public member Jenn Vander Woude resigned from the Board due to work commitments.

The MSBA nominates three of the five attorney members. Ms. Howe, Michael Mather and Katherine Brown Holmen serve as MSBA nominees. Ms. Moe and Jenn Vander Woude serve as the Board's public members. The MSBA has nominated a replacement for Ms. Howe. The remaining open attorney and open public member positions on the Board will be posted in September 2026.

Funding and Budget Procedures. Currently, no portion of lawyer registration funds are allocated to the Client Security Fund as the fund remains sufficient to cover anticipated claims. In 1998, the Supreme Court recommended an informal range for the

Fund of $1.5 million to $2.5 million, with the Board to report to the Court if the Fund falls, or is projected to fall, outside of these figures. The Board projects a fiscal year-end balance of approximately $2.8 million in June 2026, but this number will likely be higher depending on approved claims.

A reallocation of $1 million to the Lawyers Professional Responsibility Board approved in June 2019 was subsequently increased to $1.5 million in FY22. Of the $1.5 million reallocated, $500,000 was disbursed to the OLPR/LPRB during FY24, another $250,000 was distributed in FY25, leaving $750,000 with the Board to continue generating interest income. This sum will be reallocated when needed as determined by State Court Administration staff but was not needed in FY26. Reallocation of the remaining approved funds will be considered during FY27.

The Board does not directly handle any funds or the investment of the Fund. This function is managed by the State of Minnesota. The Fund is composed of assessments previously collected through the Office of Lawyer Registration and placed into a segregated fund within the State Treasury. The Fund receives interest income, which was generally strong this year, covering a large portion of fund expenses.

Based upon the information presently available to the Board concerning pending claims or known potential claims as well as historical budgeting practices, the Board budgeted $350,000 for claim payments next year. The Board budgeted $115,588 for all non-claim expenses, including staff services, supplies, equipment, and representation at national client protection conferences. The Board has developed an updated website, which includes an updated claim form and will for the first time allow the filing of claims online. The new website enhances the public's access by including mobile-friendly access and providing additional, easy to locate information. After research into the types of expenses allocated to similar funds, the State Court Administration recommended that the Fund should bear a larger portion of the expenses currently

being handled by the OLPR to more accurately reflect the true cost of administration of the Fund. As a result, the amount budgeted for non-claim expenses increased. During FY25, the Board completed its first year of operation under the revised billing structure for reimbursement of OLPR staff and other services. The Board now pays a fixed portion of OLPR staff salaries, instead of an hourly fee. In most years, the Board has spent less than the budgeted amount on non-claim expense items. (Appendix 2, A. 3.)

Administration. The Office of Lawyers Professional Responsibility provides staff services to the Client Security Board. Susan Humiston serves as Director of the Client Security Board. Managing Attorney Krista Barrie and Ethics Investigator Gina Brovege also provide services. Paralegal Julie Staum handles the day-to-day operations of the Fund including contact with respondents and claimants and investigation of claims. OLPR staff also provide administrative and bookkeeping services to the Board. A portion of the Office's forensic auditor's time is also paid by the Board.

Following each meeting, the Board issues a press release regarding claims approved pursuant to Board policy. The press releases are also posted on the Board's website to provide public information about the Board's activities at *https://csb.mncourts.gov*. The website contains answers to frequently asked questions (FAQs), the Board's rules, the claim form (in multiple languages), staff directory, copies of the current and past annual reports and an updated list of attorneys against whom claims have been paid, similar to that at Appendix 4 (A. 6-10). The website also has links to articles written about the Client Security Board.

The Minnesota Attorney General provides legal services to the Client Security Board in enforcing its subrogation rights against attorneys where claims have been paid, or against any third persons from whom payments may be legally obtained. Assistant Attorney General Scott Grosskreutz represents the Board in subrogation matters and has done so for many years. The Board pays no attorney fees for this

representation but is responsible for direct costs of collection efforts and litigation. Where appropriate, the Attorney General also assists the Board in being listed as a victim in criminal restitution orders. The Board thanks the Minnesota Attorney General and AAG Grosskreutz for the excellent representation of the Board.

Also, as a part of the collection process, the Board may forward matters to the Minnesota Department of Revenue (MNDOR), which has a division created to assist government agencies in their collection work. Although the Attorney General continues to handle most matters for the Board that are contested, or that appear capable of prompt resolution, other matters are referred to MNDOR after a judgment has been secured.

Claims Procedure. Claims are initiated by the submission of a claim to the Director's Office on forms approved by the Board. The forms are available on the website along with additional information and may be mailed to potential claimants. The claim forms are available in English, Arabic, Spanish, Hmong, Russian and Somali, and may be translated to other languages as necessary. The website is also available in these languages.

After a claim is submitted, the respondent attorney is provided an opportunity to respond in writing. The Board also has access to all lawyer disciplinary files, from which considerable information may be obtained. Generally, attorney disciplinary proceedings against the respondent attorney will have been completed before any Client Security Fund payment is made. The Board relies heavily, although not exclusively, upon findings made in related lawyer disciplinary actions, or in related civil or criminal cases, whenever possible. The Board has no aggregate limit on the amount that may be paid per lawyer. The maximum payment per claim is $150,000, one of the highest limits in the country. It appears to remain a sufficient maximum amount.

If a claim is denied, the claimant and respondent are notified in writing of the Board's determination and reasoning. The claimant has the right to request reconsideration and a discretionary meeting with the Board, so that all claimants have a full opportunity to present the merits of their claim. Claim payment is a matter of discretion within the Board, which takes each claim very seriously keeping in mind the purposes of the Fund.

III. GOALS AND OBJECTIVES.

No major funding issues are anticipated this coming year. The Board has experienced members who continue to provide sound leadership, and the amount of funds in reserve appears to be sufficient to provide a generous pool from which qualifying claims can be satisfied. The Board remains generally caught up on its claims. The Board continues to monitor the efficacy of collection efforts against lawyers owing money to the Fund. The website update provided the Board with the opportunity to refresh outward facing materials to ensure clarity of communications with the public regarding the purposes and availability of the Fund. The Board continues to identify outreach to the public and bar to promote the existence of the Fund as a Board priority.
